

211 Gulshan-Tejgaon Link Road, Dhaka

Discover the seamless
fusion of history and
contemporary allure
within our event space,
a former garment
factory transformed
into a captivating
venue in the heart of
Dhaka city

Featuring three distinctive halls bathed in natural light, the space boasts a charming red brick facade adorned with flourishing greenery. Large arc windows frame the industrial aesthetic, creating a nostalgic ambiance.

This versatile venue plays host to weddings, fairs, concerts, exhibitions, dinners, and community gatherings. The gallery space, an artistic haven, invites exploration and celebration of every moment. Ideally situated and accessible to both north and south residents, our event space stands as a testament to the beauty of reinvention.
